For example, injury may occur through conduct that is not authorized by the rules and regulations of the activity. ## What to bring:

Campers should bring the following each day.

A bag lunch

Water bottle

A towel

Bathing suit

**Sunscreen**

*we will have available but camper should come already screened*

Snacks

*fruit, crackers, juice box etc*

Clothing

*appropriate and modest summer clothes with shoes for activity and sports. Flip flops are o.k to bring but appropriate active sports type shoes are necessary as well*

**Personal electronic entertainment is not allowed.** We hope to keep your camper busy and active enough so that these are not needed. We will also encourage the social interaction and friendships between campers and these items will detract from that purpose. Cell phones are allowed for emergency but may not be used at any time for other than emergency purposes.

**Please check your camper upon pick up or as soon as possible afterwards.** We do participate in nature hikes and explore local natural areas. Ticks are commonplace in our area and should be removed as soon as possible. To remove ticks, use tweezers (not your fingers) and grasp the tick as close to the camper's skin as possible and pull gently, straight back until the tick releases. Apply antiseptic and watch the area over next few days. If redness appears consult your camper's doctor immediately. The most common area for ticks on our campers is in the hair.

**The cell phone of the Camp Director (Chris) is 925-708-4383** Please use this number at any time to contact the director for any reason.
